Dear Sir:

20 This is responsive to the Office Action dated November 17, 1998, regarding the
above application.IN THE CLAIMS:

Claim 3, delete "NC".

REMARKS

Claims 1 through 6 stand rejected.

25 Claim 3 has been rejected under 35 U.S.C. 112 due to a missing antecedent basis.

This inadvertent error has been corrected, and the rejection thus overcome.

30 Before turning to the specific rejections based upon prior art, it is believed that a
brief review of applicant's invention as presently claimed would be helpful. Applicant's
invention relates to a technique of utilizing a remote server in order to assist in presenting
a graphical user interface (GUI) to a user. In operation, software from a communications
server is downloaded to a terminal. The software is specifically designed to allow
communications between the terminal and a remote host. A second communicationsOFFICIAL
